Accelerate Business Growth at Asia's Leading Platform for Textile Machinery

YOU ARE CORDIALLY INVITED

PARTICIPATE IN ASIA'S LEADING-EDGE PLATFORM FOR TEXTILE TECHNOLOGIES

Combining the strengths of the world-renowned ITMA brand and CITME – China's most important textile event, ITMA ASIA + CITME is returning for its 8th edition amidst high anticipation from the industry.

Established since 2008, the biennial exhibition continues to garner strong support from numerous international textile machinery associations, cementing its position as the frontrunner serving Asia's vibrant textile manufacturing hub.

As China and the regional markets endeavour to move up the value chain, industry buyers can expect to seek out advanced manufacturing technologies and glean first-hand insights on the latest textile and garment trends at ITMA ASIA + CITME 2022.

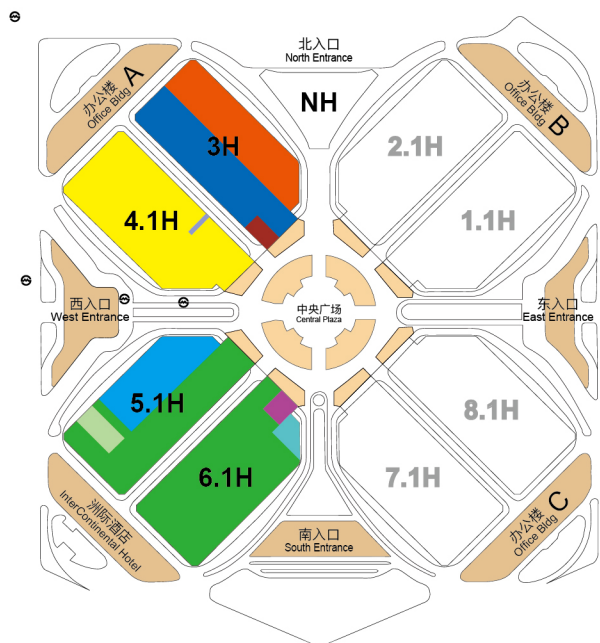

Why You Should Visit

- Meet leading machinery manufacturers from across the value chain
- Explore cutting-edge technologies spread over 120,000 sqm of gross exhibition area
- Witness live machinery demonstrations and exciting product launches
- Expand your business network with international industry professionals
- Discover new-to-market innovations at the Research & Innovation Pavilion

Source Efficiently in One Platform

The comprehensive showcase is categorised by product sectors on the show floor, enabling buyers to source conveniently.

Sector Allocation Plan

- Weaving
- Braiding
- Knitting & Hosiery
- Printing
- Garment & Textile Processing
- Embroidery
- Finishing
- Recycling
- Spinning & Man-made Fibre
- Winding, Texturing & Twisting
- Nonwovens
- Testing
- Research & Innovation

The following sectors can be found in all halls: Logistics*, Software, Equipment for Plant Ops, and Services for Textile Industry (*Except in Hall 4.1)

Plan Your Trip Now
